ETHICS of Connected and Automated Vehicles

Independent
Expert
Report

Before self-driving cars

This is how much the road is used by different categories of people

Total persons-hours
29,591

This is how many people die in traffic accidents each year

Total fatalities
3,476

After self-driving cars

In this solution, safety improvements are proportional to hours traveled, with modes that travel the most receiving the largest safety improvements. Overall travel is twice as safe as before the self-driving cars.

Total fatalities
1,738

Total saved people
1,738
